# Race Card

# Welcome

## to our race night

### Here's how it works...

- We will be showing ten films of actual horse races throughout the evening, each with eight numbered horses.
- Place a bet at the tote table on whichever horse (use number) you think will win the race.
- You can bet on as many horses as you like, as many times as you like. All bets €2.
- You will be given a ticket for each €2 bet. Hold on to this, you'll need it to claim your winnings.
- When all bets have been placed, the race will be shown and the winner displayed.
- If your horse is the winner, collect your winnings from the tote table. Also, winning horse owner gets €60 and winning jockey gets €30.
- Race #9 is a special Mentors race! The normal rules of races have been suspended!
- Race #10 is the auction race. Winning owner gets 40% of takings for the 8 auctioned horses. Winning jockey gets €30.
- Look out for the forecast competition in Race 8. Predict 1<sup>st</sup> and 2<sup>nd</sup> (there are 56 combinations, see poster in the hall) and win €100. €5 per entry.
